DETAILED ACTION

Election/Restrictions

1. This application is in condition for allowance except for the presence of claim 78, directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

Regarding claim 78, claim 78 drawn to a user equipment arranged to handle connection to a multi-user, multi-carrier wireless communications system wherein comprising a radio conditions processor configured to estimate radio, conditions between the user equipment and the node and to select an appropriate pilot resource configuration out of a set of at least two different pilot resource configurations, each of the at least two different pilot resource configurations utilizing different sub-spaces of said multi-carrier resource space, each of said sub-spaces comprising resources of more than one carrier and comprising both pilot resources and data resources.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claim 78 withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

2. This application is in condition for allowance except for the following formal matters:

This application is in condition for allowance except for the presence of claim 78, directed to an invention that is independent or distinct from the invention originally claimed in the reply filed on 12/16/09. Applicant is given **ONE MONTH or THIRTY DAYS** from the date of this letter, whichever is longer, to cancel the noted claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
